

Quality HealthCare Annual Dinner 2006 Together We Are

Almost 700 executives, core doctors, affiliate doctors and frontline and head office staffs of Quality HealthCare were gathered together on 22 January 2006 to celebrate the New Year at the Miramar Hotel at Tsim Sha Tsui.

This year's theme was "Together We Are" which represented our high spirit in teamwork. It was a memorable evening for most of us and especially for our awardees. This year, we presented a number of new awards to centres and colleagues with outstanding performance. These awards included Centre of Excellence, Centre Service Improvement, Outstanding Project Team and Service Champions. We are also pleased to present 10-year, 15-year, 20-year and 30-year Long Service Awards to 34 dedicated colleagues.

The evening was also entertaining with the musical performance (by Dr. Charles Wong and team as well as frontline colleagues), lucky draw, karaoke competition and games.
