Visa Preferred Merchants Tourist Offers 2007**

Quality HealthCare Medical Services has always believed in its service excellence. To further consolidate our reputation on customer services, Quality HealthCare took part in “Visa Preferred Merchants Tourist Offers 2007 Merchant Incentive Program”. As a result, we are very pleased to announce that three of our outstanding staffs: Karen from Admiralty Medical Centre, Dr. Olivia Choi from Sheung Wan Medical Centre and Jessie Ng from Shau Kwei Wan Medical Centre, have been named as the “Best Performance Staff” and our Admiralty Medical Centre has also been granted the “Best POS Merchant Outlet”.

The “Visa Preferred Merchants Tourist Offers” is a highlighted seasonal program in the 2007 Hong Kong Shopping Festival organized by Visa International. To support the Shopping Festival, our company offers a 10% discount for six standard physical packages from 30 June to 30 September 2007. In order to acknowledge participated companies that provided excellent customer services for tourists from different countries, Visa has arranged the “Mystery Shopper Program” to assess 300 outlets; only 40 staff and 10 outlets were chosen as “Best Performance Staff” and “Best POS Merchant Outlet” respectively. The grading of “Best Performance Staff” is based on the staff’s knowledge of the offer and their initiative, whereas the judging criteria of “Best POS Merchant Outlet” is mainly based on the quality of displaying promotional materials.

Providing the best quality medical services to our customers has always been our first priority. Our accomplishments in this program has again proved that with our friendly and knowledgeable staff serving the community, Quality HealthCare Medical Services is highly recognized as a caring company delivering an international standard of healthcare.
